1 EXT. PROLOGUE: OUTER SPACE - NIGHT**1**

Hexapus is revealed amongst the stars

NARRATOR

The ancients foretold of the six tentacled Hexapus and it's creation of Saturn.

From another dimension Hexapus birthed Saturn into this solar system.

As Hexapus reached out to Saturn it mistakenly found Earth and believed Earthlings were Saturnians.

From another dimension Hexapus meteored six Toxoplasma Gondii at the unsuspecting Earthlings, a fate meant for Saturn.

You are Paladin of Hexapus, you will spread Toxoplasma Gondii to all Saturnians and open the dimension of Hexapus.

Captain, an ARGON gas spike has been detected at a music venue near the meteor impact site.

CAPTAIN

What caused the spike of ARGON gas Science Officer?

SCIENCE OFFICER

Captain, I don't know Sir, our scientists are researching this now.

CAPTAIN

Are there casualties?

SCIENCE OFFICER

No Sir.

CAPTAIN

Find out what happened and keep me updated Science Officer.

Door opens

SCIENCE OFFICER

Captain, we've detected another
Argon gas spike

CAPTAIN

Is it from the latest meteor impact,
Science Officer?

SCIENCE OFFICER

Captain, it's emitting from a music
venue, near the impact site

CAPTAIN

Science Officer, what's the
connection between the Argon gas and
the music venues?

SCIENCE OFFICER

Captain, I don't know, Sir. We have
people on the ground, investigating
now

Cat_1 and Cat_2 inside bus at drivers side.

BUS DRIVER

Get in

CAT_3

Purrr

7 INT. SCIENCE PART 3: BRIDGE OF HIGH TECH SHIP - EVENING

7

Door opens

SCIENCE OFFICER

Captain, ARGON gas is being used to focus energy generated at live music venues to a central source

CAPTAIN

What is this central source, Science Officer?

SCIENCE OFFICER

Captain, I don't know Sir. We're monitoring global energy output, we will know soon

CAPTAIN

Keep me updated Science Officer

SCIENCE OFFICER

Yes Captain

Door closes

Captain, another meteor strike,
and an ARGON gas spike at a nearby
music venue, this time in Stockholm

CAPTAIN

Where are the meteors coming from
Science Officer?

SCIENCE OFFICER

Captain, the meteors trajectories
points towards the planet Saturn,
we've detected gravity wave
distortions

CAPTAIN

I need more information Science
Officer

SCIENCE OFFICER

Captain, our people on the ground
reported the musicians and fans all
had glowing eyes,
and the music equipment was smeared
with cat poo that contained high
levels of TOXOPLASMA GONDII

CAPTAIN

Cat poo? Don't waste my time Science
officer. That will be all

SCIENCE OFFICER

Yes, Captain

Door closes

10 EXT. TOUR PART 5: MELBOURNE - NIGHT

CAT_5
 Purrr

11 INT. SCIENCE PART 5: BRIDGE OF HIGH TECH SHIP - NIGHT 11

SCIENCE OFFICER
 Captain, it appears that mind
 control is being used on the fans at
 the music venues.
 I think ARGON gas combined with
 TOXOPLASMA GONDII from the cat poo
 is causing energy from live music
 venues to be collected and
 redirected to a gravity wave
 distortion near Saturn

Captain turns around with glowing eyes

CAPTAIN
 H e x a p u s

SCIENCE OFFICER
 Captain your eyes are glowing!

CAPTAIN
